PHYSICAL DISTANCING LAYOUTS

For information on current venue setups and capacities at the Fairfax, Arlington and SciTech campuses please visit: events.gmu.edu/venues/

Statuses and Meanings

Green

You have no symptoms, testing, or contacts that indicate exposure or illness and therefore you are free to come to campus or participate in face to face classes, events, and activities.

Yellow

You have indicated that you may have one or more COVID-19 symptoms, have been tested and are awaiting results or received positive test, or you were in contact with someone with COVID or tested positive for COVID. If you receive a Yellow message:

- Remain off campus or in your residence hall
- You will receive specific instructions on what you should do
- Additional information and resources will be emailed to you immediately after completing Mason COVID Health✓™

Red

Based on your responses, you may be experiencing a medical emergency and should immediately contact your health care provider or emergency services.
